Dear Tim,

You recently installed Blue Pearl granite worktops in our new kitchen and we wanted to let you know we are delighted with them.

We decided on your company after talking with several other suppliers. We were impressed with your knowledge and professionalism and in particular the care and patience you showed in helping us to select the right product and ensuring we received perfect worktops.

Your measuring and fitting service was excellent with the staff helpful, polite and displaying the highest levels of quality and customer service.

With kind regards
Carol and Steve
